Most exercises have 2 rounds (see [Brochure](#) for exercises running) with some running only once each year. If you wish to participate in 1 round of an exercise please mark which round in the table above with e.g. an x. If you are unsure how to complete this form please contact the W-QPO for confirmation to avoid surplus ordering as we are unable to accept returned samples.

If for a certain exercise there is insufficient participation in a certain round, W-QPO can decide to merge both rounds into 1 round including extra samples
