Hi Piero,

Post evaluation your 3 x SPOT tags (SNs: 12S0020, 13S0710, and 21U1572) cannot be refurbished and are eligible for trade in replacements at half price (USD \$850 each).

If you would like to proceed with the trade in replacement tags, please let us know. At that time, we can provide you with a quote and estimated ship date. Just so you are aware, are current lead times are about 10-12 weeks from order confirmation.

Please let me know if you have any questions and I'll keep watch for your reply.

Kind regards,

*Allison***Allison Moore***Technical Sales Consultant***Wildlife Computers**

Dear Wildlife Computer team,

I'm Piero Zuppelli and I work at the National Institute of Oceanography and Geophysics in Trieste.

I write you about our two Spots 5s and one Spot 258G. We usually use them in conjunction with our Seagliders fleet. The spots need battery refurbishing or to be upgraded. Do you have any suggestions or information about it?

Best regards

Piero Zuppelli
