

ASAP

ADRIATIC SENSITIVE AREAS PROTECTION - MECHANISM

This project is supported by the Interreg IPA ADRION programme under the Interreg Funds (European Regional Development Fund and IPA III)

ASAP aims at providing the Adriatic countries with a coordination platform, a mechanism for prompt transnational response in case of accidental marine pollution for the safeguard of environmentally sensitive areas, for the benefit of the health of citizens and for the protection of economic activities which are vital for the well-being in the Adriatic Sea.

Project budget in EUR

1.413.387,70
