

Public selection based on qualifications and interview for no. 1 Junior fellowship in the field of “Application of Full Waveform Inversion to vintage data” for the Geophysics Section of the National Institute of Oceanography and Applied Geophysics – OGS (Call 20/2024)

Evaluation of qualifications and date of the oral examination

The following candidates have been admitted to the interview:

Candidate	QUALIFICATIONS EVALUATION (MAX 30 POINTS)
Mi-Nh	26
Mi-Ao	21

It is specified that each candidate is identified on the basis of the following anonymisation criteria: the first and last letter of the surname – the first and last letter of the first name.

In accordance with Article 7 of the competition notice, the timetable for the tests is as follows:
The selection board invites candidates to the oral tests on 18/10/2024 at 10.00 am at the OGS headquarters in Borgo Grotta Gigante 42/C, 34010 - Sgonico (TS) Italy, Palazzina D, Sala Morelli.

Candidates who need to conduct the interview remotely are requested to send their application by 15/10/2024 to the following two email addresses: gbrancatelli@ogs.it and concorsi@ogs.it. They will then receive instructions on how to connect to the Google Meet platform and conduct the interview.

To be admitted to the oral exam, applicants must present a valid identification document.

Applicants who do not show up at the interview venue on the date and time indicated or do not connect to the platform as required to attend the oral test will lose all rights to participate and will be excluded from the selection process.

All further details of the procedure will be published in advance.

The member with the function of Secretary of the
Commission
Giuseppe Brancatelli
