

**Call 15/2021 - Announcement of public selection based on qualifications and interview for no. 1 Junior fellowship in the field of “Development of a rapid earthquake ground motion scenario calculator based on the spectral modeling technique”, by the “Seismological Research Center” – CRS of the National Institute of Oceanography and Applied Geophysics – OGS.**

### **QUALIFICATIONS ASSESSMENT**

The following candidates are admitted to the interview:

|   | <b>Surname and Name<br/>(in alphabetical order)</b> | <b>Qualifications assessment<br/>(max 30 points)</b> |
|---|---|--|
| 1 | ██████████  | 25   |
| 2 | ██████████  | 22   |

The interviews will take place

**on 15<sup>th</sup> December 2021 at 10.00, at the OGS premises in Via Treviso 55, UDINE**

Considering the COVID-19 emergency and the measures adopted by public authorities, the interviews **may also take place in videoconference call** through the following Google Meet link:

<https://meet.google.com/iqj-yjfv-bsy>

that will be active from 10.00 am on the same day. The interviews in this case will begin at **10.15**. The session is public, and all the people interested in listening can connect through the above-mentioned link.

The System requirements for the connection are indicated in the “*Requisiti di Sistema per videoconferenza con Google Meet.pdf*” document which is published on the OGS website at the Call 15/2021 page.

The Selection Board will verify the presence of the candidates at 10.00 at the beginning of the session and will check microphones and webcams. In case of any connection problem, candidates should promptly send an email to the following address: [vpoggi@inogs.it](mailto:vpoggi@inogs.it)

Please remember that to participate in the interview each candidate must show a valid ID document with the photograph, the number, and the expiration date.

Candidates who will not connect/be present at the given date and time for the interview will forfeit any right to participate and will be excluded from the selection.

Publication date: 23<sup>rd</sup> November 2021
